#### Grant's Concition

NEW YORK, Lune 16-The Sun th's morning says The many of those who are informed as to Genera Grant's actua concit on look upon the pan of removing him from its cem ortable home with grave misg vings. That is e now hangs by a very sencer thread here is the coupt among them. His throat in one aspect was worse last night, ian it has been before. Co. Steu Grant told a thought be general lad slept we , addough reporter last evening that his lather his tota 3 lost the power of speech. \_e as ill du ing the night. \_'he suskiness o' his voice able to articulate faintly out even those who was considerably releved, but its oss lac are most acquainted with his mode o' speech been owing to the general's wearness ratger can not make out what he says, except at very than to atique, and its recovery would be bries intervals, which his throat was tempor- slow. Colonel fred Grant said of his futher arry clogged with mucus. This is something that has never hap sense be ore and thate- morning havored had improved so that we velopment of the list twenty-four hours. It can understand him when he tries to whisper, is said by those wao are we informed that his mout i can not be obened by herently with he wispered very faint y that he count as time to 5 o'c oca. In Jour as again was a ec, another had a eg prosen and to enable physicians to made an ocular ex- voice a little stronger to-day out that he siou direction its throat amination, and when they see of the affected bothry to use 1, noong with caution it and and of it is parts they give the patient so exeruciating would grow s rong enough so he could takk which he cid until 8 p'c ock. Lewas crossed hur; n the head, Adam Gotsche n the pain that they refrain from it as much as again. But," added. Col. Grant, "he la jure at 10 o'c ock nut remained in coors and all spine and internal y injuried; Mrs. August possible. Of course Genera Grant's louise of fat let's voice is owing to debi ity and he noon lac not appeared outside. The Coctor Mucke, one leg termbly accrated. \_\_er how are better able to junge than any hody is growing weater a new me. Change of sac that Grant's concition in a morning was caughters Mary and in all are in ured notice. the what is pricent for him to co, but not- air is eels just now but as \_ saic his weak. not worse than yesterday so far as re ated to terms y and the former lass an arm broken. withstanding their decision that this safe to mess constantly grows upon him?" muse the experiment they are going to make, there are among many who have cosely air will su t General Grant.

NEW YOLK, June 16.-Willam ... Vancer-General Grant to Mount McGregor. General closer his neck scart so as to conceal the ug y motionless with one lane pressing a Taneapparent in erest the movements of Dis. Doug- quescay night. The other hand grasped the las and Harrison, who were arranging chaus cane which the general now at all times carand bags so that the general should be as comfortable as possible curing the frip he in its appropriate than when he concluded by Mrs. Grant sat at the genera 'gright mand and' worst that was to be experienced curing the homself mean his because the color and the entire trip. . he sharp curves s 100% the car a little, but the care of the engineer prevented any shaking that could disturb the genera. Ars Free Grant, Ars. Jysses S. Grant, jr. and Mrs. Sartoris were a so in the car, while he children of the househo a were under the care of Colone Free Grant in the forward car. General Grant passed a rest essingut and this morning he ooks much depressed and emaciated. While he watches everything that s cone he coes not speak a worc.

TARRITOWN, N. Y., cune 16 .- Co. Free Grant was half rec'ming n a sofa with Dr. lougiass and by the general's side when Stony 'oint was passed at 940 About 10 o'clock the general turned a little in his clair. in order that ie might command a better view of the west sank of the river, \_'e wante to gain a g impie of West Loint. As the train hurr on the scenery was growing very familiar to the sick man. The scenes of his cauetsh p were coming to view, and at length at 10.15, when the quarters at West Point swept into view the general nocced across the river and again taint y smiled as Mrs. Grant glanced across at min to see " he was not rehig. She sm ex as to nocces. The at ea hurrier to the river side of the car to watch. and Col. Free Grant po nied out the pile o. ocks which he had heard his lather ment on in telling a siswimming adventures of his student cays. The general spoke no word bu. of ower the scene with his eyes, looking rearting generalisation of his rearting partial town, a would all the generalisation of his contraction o ward unt. West 'out was shutou, from view by the curve of the roac.

Once the genera pointed to a residence on the west bank of the river, and eaning to ware to . Free Grant attempted to speak and tel nim it was the house of a frienc at which in past years he had been entertained, bulso weak was 1 9 voice that the general could not make I use heard. Dr. Doug ass requested him not to make any effort to speak and bade eral cic.

At 1 20 Dr. Dou gass said "\_ have made no effort to fee his pulse. Leon a not ao so while the train was in motion. ... e 19 5 10 wang less ratigue than might have been. Lam auxious to react he mountain so ha, can clear his throat o this cost, which is trying to Le is seeing the lear out his strength ", ow y dak is mer fro ga 2 of H

#### OBITTABY.

LAWTON-The many friends of Mrs. Erles Ann Lawton, wife of the late Clark Lawton, were grieved to hear of her death on Thursday, June D. C. S. r. c's come n, .. Decoines ev Cen. 718. 11, 1805. She was born in the state of New York, Apri 29, 1825, and hved to the ripe old age of 60 years. At the age of it years she married at Medina, Ohlo, November 15, 1842, Mr. Clara Lawton, whose loss by sudden death is still deeply feit ly this community. In 1816 they moved to Wisconsin and built up and named the town of Lowell, in Dodge county, where they resided ail their early years. Mrs. Lawton became an earnest Caristian in early years. In that new country she considered it a great privilege to do her ning at the center of the southeast quarter of Master's work, and not only extended her tal-

Her poor health since residing in Colorado

She leaves four children to mourn her lossall of whom are residents of this city. Her death will be deeply mourned, but she will live long in the memory of her associates, who felt her kinghessani knew her worth, "Grandma Lawton, Co orado Springs is lonesome without
